Is EVP Right For You?

WV Eye Executive Vision Program

We understand how busy your schedule can be. WV Eye has the technology and the staff to provide you with a

comprehensive eye exam in 30 minutes and no dilation is required. In and out within 30 minutes, with the confidence

that your eyes have been fully evaluated to ensure they are healthy and updating your prescription for the best clarity in your vision.

EVP (Executive Vision Program) is now available in our Charleston facility.

No dilation required! Frame selection and contact lens fitting not included in 30 minute guarantee. If you are a patient that has previous or current medical eye issues (examples: diabetes, retinal tearing), a more complex exam is required

WV Eye Free Vision Screenings.

Montgomery Kids Health Fair

On August 4th, WV Eye had the privilege of providing free vision screenings at the annual Montgomery Kids Health

Welcome

Dr. Caleb Cart

WV Eye would like to introduce you to the newest member of our physician team, Dr. Caleb Cart. Dr. Cart is a WV native, growing up in the Buffalo area. He received his Bachelors of Science at WV University and continued his studies at the prestigious University of Alabama Birmingham, where he received his Doctor of Optometry in May of this year. You will see Dr. Cart traveling between our 8 locations.

Fair. Our newest addition to the WV Eye team, Dr. Caleb Cart completed around 100 screening at the fair, with help from several other volunteers from our office. Thank you, Montgomery Pediatric Group, for inviting us to this event again. This was the 3rd year that we had the pleasure to participate in the fair and it seems to grow bigger every year. We love getting out into our communities to help when needed and to meet the great people of our state.

New Boone County Office

Starting in September of 2017, Dr. Harry Cohen will be providing surgical (Cataract and Glaucoma) evaluations and services in Madison, WV. All surgeries will be performed at the NEW Boone Memorial Hospital. We will bring the same efficient and compassionate care that we offer in all our locations to the Boone area.

Evaluations and surgeries will be available every other Thursday. Our call center is ready to schedule your surgical evaluation in the convenience of your own community. We look forward to caring for the residents in the Boone and Logan Areas. We thank Dr. Donna Chaney

for providing her office to us to care for you, at 300 Madison Ave., Madison, WV.

Walgreens Health Fair

Thank You Walgreens of Cross Lanes, WV for inviting WV Eye to participate in their annual Health Fair this past Saturday, Aug. 26th. Dr. Cart and several staff members provided free vision screenings to all that came to

the event. We set up our screening tent in the parking lot and got to enjoy the beautiful weather and meet some wonderful people.

NEW Huntington Office

WV Eye will have a NEW Huntington office for you soon. Starting in October, office hours will be available at 1616 13th Ave. (Dr. Skolik's Office). We will continue to provide surgeries at Three Gables Surgical Hospital. Please call if you have any questions concerning our move or your future appointments. Maps and directions to the new office will be updated on our website at the end of September before the move.

Welcome Aaron Elliott To WV Eye

WV Eye would like to welcome Aaron Elliott to our team as the new IT Manager. Aaron offers over 24 years of IT experience and his goals for WV Eye is to ensure regulatory compliance while enabling all staff to do their jobs efficiently.

Thanks for joining the WV Eye Team!
